ETT X'Locker

Boxes & flaps-Automat

The ETT X'Locker locker system is perfect for issuing bulky or large-volume items. The ETT X'Locker is also ideal for power tools.

The ETT X'Locker is ideal for storing hard hats, work clothing, larger tools or other bulky items. Power tool batteries can be charged during storage so that the user can work directly with a fully charged battery.

The ETT X'Locker is available in seven different configurations, with a choice of five compartment sizes. Transparent flaps with illuminated compartments and/or compartments equipped with sockets are optionally available. Up to nine ETT X'Lockers can be operated via one control unit.

Only available as an extension unit

Standard colour: RAL9004 signal black and RAL7040 window grey

The ETT X'Locker is made for:

Electric tools

Helmets

Abrasive material

Protective gear

ETT X'Locker
